

Michael Scott Paper Doll

4.5" Version with Desk and Accessories!

Doll Instructions:

1. Cut out everything.
2. Use x-acto to cut a slit on dashed lines (like on the tophat). If attaching the Second Head Costume, also make a slit along Michael's breast pocket.
3. Attach the folded stand to the doll.
4. Dress up Michael!

Chair Instructions:

1. Cut out.
2. Pre-fold along seams.
3. Glue unprinted sides of chair back together.
4. Assemble rest of chair and glue indicated tabs.

Desk Instructions:

1. Cut out.
2. Use x-acto knife to cut slits along dashed lines.
3. Prefold desk along indicated lines.
4. Glue together wrong sides of monitor and Dundie (do not glue fold tabs). Wrap mug around pencil and glue together wrong sides of handles.
5. Insert accessory tabs into matching colored slits. Tape or glue flaps down.
6. Fold desk and glue together on indicated tabs.
7. Put Michael to work!
